

Sisters of St. Francis

The next time your family, business or organization needs a place to meet, consider our conference center. With its serene location, thirty foot vaulted ceilings, wooden tresses, and open floor plan, it is truly a one-of-a-kind meeting place. We offer the perfect setting for business conferences, group retreats, anniversary celebrations, community or family gatherings and meetings of all kinds.

As they announce peace with their lips, let them be careful to have it even more within their own hearts. No one should be roused to wrath or insult on their account, rather all should be moved to peace, goodwill and mercy because of their gentleness.
